

WIC RECIPIENTS

IMPORTANT NOTICE

The current shutdown of the Federal government **DOES NOT** affect your WIC benefits.

Illinois WIC is funded to operate throughout November despite the lack of a federal budget.

Participants should continue to shop and redeem WIC benefits as usual. IDHS is closely monitoring the situation and will share updates as they become available.

Questions can be directed to Illinois WIC directly at 844-901-0962 or DHS.WICVendor@illinois.gov.
